PROFESSIONAL NURSING EXPERIENCE

Sunrise Senior Living | Marlboro, NJ — *LPN/Medication Nurse*

August 2019 - August 2026

- Delivered direct nursing care to older adults with acute and chronic conditions in assisted living.
- Administered scheduled and PRN medications; monitored response and changes requiring follow-up.
- Performed wound care and physician-ordered treatments, including dressing changes and skin assessments.
- Managed oxygen therapy; monitored respiratory status, SpO2, and response to treatment.
- Completed post-fall/post-hospital assessments and promptly reported significant changes to providers.
- Coordinated pharmacy, laboratory, diagnostic, hospice, and provider follow-up; documented in PCC/eMAR.

Affirmed Home Care | NJ — *LPN/PRN*

August 2024 - August 2026

- Provided individualized home-care nursing according to established plans of care.
- Provided Foley catheter insertion and care; monitored suprapubic catheter sites, urinary output, patency, leakage, skin condition, and signs of infection.
- Provided feeding-tube care; monitored tolerance, tube-site condition, and enteral-feeding safety.
- Monitored vital signs, medication response, skin integrity, safety, and changes in condition.
- Educated patients/families and communicated significant findings to the appropriate clinician.

The Orchards at Bartley Senior Living | Jackson, NJ — LPN

April 2013 - April 2019

- Administered scheduled and PRN medications; monitored response and changes requiring follow-up.
- Performed wound care and physician-ordered treatments, including dressing changes and skin assessments.
- Managed oxygen therapy; monitored respiratory status, SpO2, and response to treatment.
- Completed post-fall/post-hospital assessments and promptly reported significant changes to providers.
- Coordinated pharmacy, laboratory, diagnostic, hospice, and provider follow-up; documented in PCC/eMAR.
